Residencial Las Lomas de Andalucia

This is upper class development right off highway to Jinotepe. The development is approx 500 meters from the hardware store Sinsa.

The city of Jinotepe can be found on the south pacific side of the country in the Diriamba highlands which is on the south west of Nicaragua. It borders Managua, Granada, Rivas and Masaya. Nicaragua is one of the second poorest countries found in the Western Hemisphere, but still has a lot to offer with its beautiful cloud forests and volcanoes. Jinotepe is 569 meters (1,867 feet) above sea level and is known primarily for its production of coffee, sugarcane and sesame seed. There are numerous foreign trade zone plants in case you wish to offer a BnB service.
