

Amazing view of Playa Maderas from Balcones de Majagual
USD \$115,000

Overview:

If you are looking for peace and tranquility in the middle of nature with access to multiple beaches and a good selection of restaurants nearby, this property is the best option for you. Enjoy the amenities less than 20 minutes away in the San Juan del Sur town.

Balcones de Majagual is an eco-conscious community 20 minutes away from San Juan del Sur. Situated on top of a ridge, covering approximately 100 acres stretching from the jungle to the ocean. Immersed in nature, surrounded by animals. Monkeys, sloths, parrots, and birds of different species abound. The lush trees provide a relaxed, calm and peaceful environment.

This community is ideal for the adventurer who wants to live a new life experience. Experiencing seclusion and privacy amid unforgettable landscape steps from the ocean. Uniquely, Balcones houses are traditionally built with reclaimed hardwoods and natural elements.
