

CASA ANYA- Live life in harmony with nature
USD \$297,000

Overview:

Looking for your dream home in a serene location? Look no further! Casa Anya is a stunning property offers that countryside lifestyle in Bosque del Mar. Nestled near the forest, you can enjoy fresh air and wake up to the sound of birds every morning. With monkeys as your neighbors, you can experience a unique and natural living experience.

This property features three beautiful buildings, including a spacious main house with three comfortable bedrooms, all equipped with air conditioning. The two full bathrooms are elegantly designed with ceramic-lined walls, offering a modern feel.

The kitchen is a true highlight of this property, with custom storage cabinets and accessories.
