

# Casa Blanca

## USD \$410,000

### Overview:

This property is truly unique. A new house, recently built with high standards of construction quality, located in the exclusive development of Encanto del Sur where one of the best retreat hotels in San Juan del Sur is located, TreeCasa.

This House is located in one of the highest areas of the project with privileged views of the Pacific Ocean.

The house was built to be the best home for your guests to stay in while visiting or as an investment property at Air BNB.

**Property Design:** This house is designed so that you could rent the whole house and have parents upstairs and older children with their own rooms downstairs.

**Which is perfect as this home is truly meant to be lived on multiple levels. Proof of this is the kitchen and bathroom on the second terrace.**

Beaches near the property: Maderas, Marsella, Nacascolo, San Juan del Sur.
