

Country House in Bosques Del Mar, north of San Juan Del Sur

USD \$205,000

Overview:

A country house has a superior charm. Some spend their lives dreaming of having one. Living near the forest, feeling the fresh air. Having monkeys as neighbors, and listening to the birds sing in the morning. These are some of the many advantages of living in the countryside. For many, these houses are synonymous with tranquility, relaxation, harmony, and peace.

This incredible property sits on a 1,100 square meter lot. The design and orientation of the house were designed to maximize the area. The home fits in perfectly with the environment that surrounds it.

Inside the single-story home, you will find an open-concept kitchen. It flows into a formal dining room and living room.

Property Details:

The fully equipped kitchen comes with custom cabinets and a central island. This is an ideal space for sharing the most important conversations of the day while preparing food, doing homework with the children, or preparing delicious cookies for the whole family! One of the great features of this property is its location near the beaches of El Toro, Maderas, Majagual, and Marsella.
