

Maderas Village Jungle Cabana

USD \$59,000

Overview:

This Maderas Village cabana is a one bedroom, 1 bath, residing in the very popular Maderas Village community. Beautifully designed, crafted and furnished for those with aesthetically chic yet comfortable taste. Cabana Maderas does not compromise on style nor integrity.

Immerse yourself in the jungle tree canopy via the luxuriously rustic experience of a private Cabana. Designed with one full sliding, floor-to-ceiling screen wall, these bright, airy and spacious structure offer a true indoor/outdoor experience, as well as a bit more seclusion to get away from it all.

All materials used in the exterior build of the cabana along with the wood used in the interior furnishings are locally sourced from Nicaragua.
